Jet

Liquid scouring product

- Removes stubborn, encrusted stains on smooth surfaces and objects without scratches
- Contains renewable plant-based raw materials

Area of application

For use on hard surfaces, especially in sanitary and food areas, e.g. wash basins, bathtubs, tiles, tabletops and walls, pots and pans, hobs, stoves, fittings etc. made of stainless steel, ceramics, glass ceramics, porcelain, artificial stone, aluminium, brass, chrome.

Application

Please test on a small inconspicuous spot before first application. Shake well before use.

Routine cleaning (surface cleaning):
Apply the undiluted product to a damp cloth or sponge and rub or polish the surface. Chalk residues are rinsed with clean water. Then wipe dry. Consumption: 5.0 ml/m^2.

Surfaces and kitchen equipment that come into direct contact with food must be rinsed thoroughly with drinking water.
